RAILROAD TIME TABLE.

LOCAL TIME.

No. 723 arrives from the seat at 11:45 and departs for Silver City 12:10 pm No. 224 arrives from Silver City 4:00 pm departs for the east at 4:30 pm departs for the later was Lieuter.

days on the way into Ituru were wretch. ed. On our flight from Sumbire we certainly suffered much hunger, and also while floating down the Cougo to trace its course our condition was much to be pitled; we have had a little of something, and at least large hopes, and if they do where are we? The age of miracica is part, it is mid, but why should they be? Moses draw water from the rock-at-Hore's for the thirty Israelites. Of water we have enough and to spare. Elijah was fed by savens at the brook Cheritis, but there is not a raven in all this forest. Christ was ministered unto by angels. I wonder if any one will minister unto ust"

Just then there was a sound as of a large bird whirring through the air. Little Randy, my fox terrier, lifted up a fact and pared inquiringly; we turned our heads to see, and that second the

our heads to see, and that second the bird dropped beneath the jaws of Randy, who snapped at the petro and hold it fast in a vice as of iron.

"There, boys," I said, "truly the gods are gracious. The age of mirastes is not past," and my comrades were seen gazing to delighted surprise at the bird, which was a the fat guines fewi. It was not four before the guines fewi. A special Henry M. Stanley in Scribner's.

Pone or five fellows were talking of goz wells on West Scheen street. Along ges wells on West Beneen street. Along same George Urban, a well known gentlemms who recently wanted to satablash a ges sompany. "Well, George, what have you done with your thousand feet well?" asked one of the fallows. "Oh, I have pulled k-up and out it into post helm of three feet apiece, for which there has been a good discussed from the authories." It was according mound from the suburbs." It was agreed that the inquirer had been well pented.

- Steffalo Courser.

him agrocalite at table, so his hostesses perform the operation must be train-pardon his rudeness and invite him od in order that it may remain steady pardon his rudeness and invite him again. But it is not every man who sets such a price upon his society or who is willing to have it known it he don't first line might cause the doce. The wear and tear of business like in N. w York cannot be described, and I am not surprised that insounnia is the beauting ill of so many men. Their brains are so active that they cannot sleep.

"A friend of mine who works like a Turk, and who has one of those restless functions of the inay remain steady at the time when a deviation of a millimeter from the time time when a deviation of a millimeter from the time when a deviation of a millimeter from the time when a deviation of a millimeter from the time when a deviation of a millimeter from the time when a deviation of a millimeter from the time when the death of a patient. How, further more, are thu never and principles to be established in which the death of a patient. How, further more, are thu never and principles to be established.

sitting at the dinner table eating a hearty meal.—Atlanta Constitution.

He wasted That Egg.

In a cheap down town restaurant, where texts from the Seriptures adorn the walls and cheer the hungry as they discuss the modest bean or the donest tic pie, an old man was paintuily consuming an egg. He was gathering the residuary food which clove to the sides of the glass, when the waiter sweeped down on the table and cleared of the debris of the meal.

As the old man vigorously licked his spoon after its last excursion around professor again and again. The student must be shown by illustration how a muscle or nerve in life will act when irritated, and his hand must be trained to operate upon a living being. From
